

About the Course

The course was designed by Donald J. Ross. From the standpoint of play, the course has remained essentially the same since it was first opened, complete with the subtle challenges that typify the designer's work. The opening holes are challenging, but Donald Ross designed the first third of the course to be comparatively simple and non-punishing, essentially the "warm-up holes."

A variety of mature trees, flowers, and rolling hills give the golf course its unique appeal. This very narrow course was constructed on rolling terrain. The fairways are narrow and tree lined. Water hazards come into play on some holes. The back-to-back par fours from number nine through number twelve are among the longest and most challenging in the Midwest. The eighteenth hole was designed to be a match play tie-breaker; its severely sloped putting surface gives the edge to the golfer making the most skillful approach shot. The course measures 6,598 yards from the back tees and plays to a par-71. The course rating is 72.4 and the slope rating is 125

American Legion Department of Kansas 2018 Golf Classic

Great LIFE

Live. Play. Better.
at Shawnee Country Club

September 29th, 2018
4 Person Scramble • Luncheon
On Course Events • Prizes

A Little Background...

For nearly 100 years, The American Legion has been the "go to" Veterans' Service Organization in support of veterans, active duty military and their families. Through our core outreach programs, which include Children and Youth, Legislative advocacy and Americanism, we reach those who are at greatest need via a grassroots support network of nearly 300 American Legion posts located throughout Kansas.

Please Support Us!

Proceeds from the tournament will go to support temporary critical financial assistance to veterans in Kansas. The American Legion Department of Kansas "Kansas Aid to the Veteran" grant program will cover basic needs of veterans and their minor children including, but not limited to, shelter, utilities, food and clothing.
