YOUR NEW NATIONAL COMMANDER

Denise Rohan from the Department of Wisconsin, was elected on August 24, 2017 at the 99th national convention.

SUPPORT KANSAS MILITARY FAMILIES

The Tenth Annual Big Red ‘1’ Turkey Run will be held Saturday November 18, 2017 at Fort Riley. The Turkey Run is for the families of the Warrior Transition Battalion. These families often find themselves transitioning out of the active military or may remain active. This year, per information provided from Fort Riley there are 700 families that will need assistance. Volunteers are needed to gather food as well as distribute the food at Fort Riley on November 18, 2017. A special thanks goes out to all the coaches, managers and other volunteers for promoting healthy competition and sportsmanship among our American Legion teams involving more than 1,000 players, coaches, and managers. Special thanks also to all the Area Tournament hosts and to Hays, Marysville, and Ottawa for hosting the State Tournaments this year.

2017 STATE BASEBALL CHAMPIONS

This July, 71 American Legion Baseball teams competed in one of 12 zone tournaments across the great state of Kansas. The top two teams from each zone then went on to compete in one of three State Championships. The three State Champions for 2017 are: Class ‘A’ Emporia; Class ‘AA’ Hays Senior Monarchs; and Class ‘AAA’ Ottawa Arrows. Emporia went on to compete at the Class ‘A’ Mid States Regional Tournament in Fargo, North Dakota. The Hays Senior Monarchs went to the ‘AA’ Mid-States Regional at Wahpeton, North Dakota. Ottawa represented Kansas in the National Region No. 4 Tournament in New Orleans, Louisiana.

A special thanks goes out to all the coaches, managers and other volunteers for promoting healthy competition and sportsmanship among our American Legion teams involving more than 1,000 players, coaches, and managers. Special thanks also to all the Area Tournament hosts and to Hays, Marysville, and Ottawa for hosting the State Tournaments this year.

YOUR NEW NATIONAL COMMANDER

Denise Rohan from the Department of Wisconsin, was elected on August 24, 2017 at the 99th national convention.
Thank you, I appreciate the support you’ve shown me this year as your Department Commander.

I attended the 144th Annual Erie Bean Feed in Erie, KS on July 14, and parade on July 15. If you have never attended the nation’s oldest Old Soldiers & Sailors Reunion, plan on it next year. I guarantee you’ll enjoy it.

A great time was had by everyone at our Department Homecoming, and a big thanks to Wichita Post 4 for hosting our event, and Fred Myers for providing the entertainment.

Our District Vice Commanders, Department Vice Commander, Adjutant and myself attended the National Membership Workshop in Indianapolis in July. We learned a lot about our membership plans and goals. Kansas has set a goal of 27,000 members this year. It is an obtainable goal, and we have the best chance of reaching 100% membership this year with EVERYONE’s help. Membership is everyone’s responsibility. Our National Commander has challenged each one of us to recruit at least one new member. We are all proud of our organization and welcome new members and ideas. Bring a new member to your next meeting! District Revitalizations are coming up and we need ALL posts to have representatives at the revitalizations.

The National ALR Legacy Run started in Fort Dodge this year. I could not be more proud of our riders who raised over $24,000.00 for the Legacy Fund, which I presented at National Convention in Reno, NV. Reno was a great convention, we learned more, and look forward to Minneapolis, MN next year. Start saving money NOW to attend next years convention!

The American Legion Extension Institute Leadership College online course has changed. It is now called The American Legion Basic Training Course, is online, and is FREE! I would encourage EVERYONE to get online and take this course. It can be completed in 2-4 hours and you will receive a completion certificate and pin from National.

I want to thank everyone who represented the American Legion Family at the State Fair in Hutchinson. It truly takes The American Legion Family to help spread the word and get people interested in what we do for our Veterans, their families, our communities, and our children and youth.

I look forward to seeing everyone at the District Revitalizations, Eisenhower Pilgrimage in Abilene, the Big Red One Turkey Run, and Operation North Pole at Fort Riley.

Anytime you attend an American Legion Family function, bring a member or non-member who may not have attended any of our functions. Let’s spread the word about what we do!

FOR GOD AND COUNTRY

Sitting across the street from my neighborhood junior high school, I watched as both genders played in combined gender sports programs. “In My Day”, this was unheard of and is a totally new concept for me. Actually, I found it quite invigorating because the girls seem to be doing far better than the boys. Aside from the will to compete, the girls probably have an edge. The boys even in the same grades had not yet come into their own.

So, at this point equality reigns. Now I’m not meaning to belabor the pros and cons of women’s rights, etc. But in a world where we do have them expected to perform hard physical work, especially on the battle field, it lessens the age-old belief of physical inferiority when we are now, this day, aiding these young women to build upper body strength and over all conditioning instead of a quick get ready at boot camp and giving them an extra edge of protection against unneeded VA Service Connection claims.

The more we prepare our children for all aspects of real life the better our Nation will be! The more ethics are taught, good will towards others, patience, respect, self-support, goal setting and my goal, Self-Accountability, the better our whole society as well as the world will be.

This next few months will be perfect for providing opportunities for our posts to get involved

(Continued on Page 7)
Disability Compensation

Disability compensation is a monthly tax-free benefit paid to Veterans who are at least 10% disabled because of injuries or diseases that were incurred in or aggravated during active duty, active duty for training, or inactive duty training. A disability can apply to physical conditions, such as a chronic knee condition, as well as a mental health conditions, such as post-traumatic stress disorder (PTSD).

Benefit

The benefit amount is graduated per the degree of the Veteran's disability on a scale from 10 percent to 100 percent (in increments of 10 percent). Compensation may also be paid for disabilities that are considered related or secondary to disabilities occurring in service and for disabilities presumed to be related to circumstances of military service, even though they may arise after service. Generally, the degrees of disability specified are also designed to compensate for considerable loss of working time from exacerbations or illnesses.

If you have dependents, an additional allowance may be added if your combined disability is rated 30% or greater. Your compensation may be offset if you receive military retirement pay, disability severance pay, or separation incentive payments.

Eligibility

• Service in the Uniformed Services on active duty, OR
• Active duty for training, OR
• Inactive duty training, AND
• You were discharged under other than dishonorable conditions, AND
• You are at least 10% disabled by an injury or disease that was incurred in or aggravated during active duty or active duty for training, or inactive duty training

Note: If you were on inactive duty for training, the disability must have resulted from injury, heart attack, or stroke.

Evidence Required

• Medical evidence of a current physical or mental disability, AND
• Evidence of a relationship between your disability and an injury, disease, or event in military service. Medical records or medical opinions are required to establish this relationship.

Note: Under certain circumstances, VA may conclude that certain current disabilities were caused by service, even if there is no specific evidence proving this in your particular claim. The cause of a disability is presumed for the following Veterans who have certain diseases.

Presumed Disability

• Former prisoners of war
• Veterans who have certain chronic or tropical diseases that become evident within a specific period of time after discharge from service
• Veterans who were exposed to ionizing radiation, mustard gas, or Lewisite while in service
• Veterans who were exposed to certain herbicides, such as by serving in Vietnam
• Veterans who served in Southwest Asia during the Gulf War
• Veterans who have certain diseases associated with exposure to contaminants in the water supply at Camp Lejeune, North Carolina. (Must have served a minimum of 30 days (cumulative) beginning on Aug.1, 1953 and ending Dec.31, 1987).

For additional information contact your American Legion Veteran Service Representative. (Contact information on Page 8)
Greetings First District,

First off, I want to thank all those that were able to help with the State Fair.

By now we are off and running into the 2018 membership year. Everyone should at least have their Officers and Life Members paid up. If you are having any problems or need any help at all, don’t hesitate to call either myself or the Vice Commander.

Revitalization for 1st District is October 20-21 at Perry Post #142. All Post’s are expected to send an Officer to help their area’s. We start at 9am on the 20th. Then on Sat. 21st from 1-4pm there will be a Service Office there. National will be here to help us. The only way for us to grow our Post’s is to keep working on those that have forgotten to renew over the past couple of years.

To finish out the weekend, we will have the Homecoming for First District. Dinner with music to follow, a relaxing finish to hopefully a very successful weekend.

Hello Third District, The National Emergency Fund (NEF) is about “… our devotion to mutual helpfulness”. Created in 1989, it provides funding to American Legion families and posts in disaster stricken areas. Go to Legion.org and select NEF and donate to help with 2017 hurricane relief.

Our American Legion has reached another milestone. Denise Rohan was elected National Commander at the National Convention in Reno. Denise is the first woman to hold this position in the nearly 100-year history of the American Legion. The focus for her 2017-2018 term is Family First. The American Legion, Sons of the American Legion, American Legion Auxiliary and the American Legion Riders; one for all and all for one. She toured our Third District on Sept 25. I hope you took the opportunity to visit with her at one of the events held in her honor.

The Third District manned the booth again at the State Fair in Hutchinson on Sunday, September 10th. The reason we continue to have a booth at this event is to sign up new members and sell our brand. We want to inform as many people as possible about what we do and why they should join us. If you have never manned this booth before, you will have an opportunity next year when the Third District will once again host the booth for one full day. This booth is a shot gun approach for recruiting new members that has worked well in the past. Recruiting around your own community is yet a better way to find new members. I encourage you to become focused on membership for your post. If every member brought in just one new member, not only would we grow, but the additional income would allow us to continue all the wonderful programs The American Legion does for our veterans, our country, the security of our nation, and the future of our children.

District IV Family,
As we approach the 100th birthday of the American Legion I reflect back to where we have been and how we got here.

Young Men and Women have Answered the Call of their Country to join the Armed Forces and take up the fight to preserve our way of life and the values we hold dear. Not as young as we were then but we continue to do so as Legionnaires. We embrace the Four Pillars as our forefathers wrote in 1919 and dedicate our membership drives to them.

Let us not forget our fellow veterans that paid the ultimate sacrifice and the Gold Star Families who proudly continue to serve for their Veteran. Reach out to them bring them into the American Legion Family.

"Be the Voice and not the echo…Echo’s lose their strength”.

After review of our Fifth District Membership Tracking document for this membership year, I have noticed slower renewals than last year’s. Our position has dropped from 2nd to either 6th place. This drop from last year’s position alarms me and it should pose a question to all of you. What has changed?

We will be having a combined Revitalization at Post 81, El Dorado for this year on November 3rd and 4th. Posts 65, White Water, 406, Andover, 189, Augusta and 73, Valley Center will participate as planned. We will be holding a Veteran Appreciation Day coinciding with the City of El Dorado Community Days event attracting curious veterans and their families. Local businesses, EMS, Law Enforcement and our Veteran Service Officer will be in attendance as well as varied military presence. I am hoping for a climbing wall and other facets of interest being available. Our intent is simple, regain lost memberships.

Our intent is then the posts responsibility to keep these members!!! Simple? Despite what we are always told, it is hard to simply reach out and ask that question. Not everybody is comfortable approaching a stranger, but it can be overcome by preparation...knowing who we are and what we have accomplished for our troops, both past and present, our veterans and knowing what your post has accomplished will turn heads. Ask your Adjutants to provide you with copies of your Annual Report and CPR and think outside the box, carry your photos of events. Each and every one of you must think of the loss to America’s veterans if our veteran organizations just fade away. Be brave!

2018 membership renewals are coming along. We're just short of the 50% mark in 7th place. Not much separating us from moving up in the rankings so I need all Adjutants to submit transmittals as often as possible.

Post 63 in Norton will be dedicating their new post home on November 4, 2017. District revitalization will be headquartered there on November 17 and 18 with the District Homecoming scheduled for noon on the 18th in Norton as well. Please plan to attend all three events. More information will be sent to your adjutants in the near future.

You can get first hand information by sending me your email address or by liking us on Facebook, search for “6thdistricts”. I look forward to seeing everyone in Norton!
Greetings fellow Legionnaires,

Summer is over and school has started. Now is the time to get with the schools and promote the many activities we have for the youth. We need to get them involved in all that the American Legion can do to help enhance their lives and make them better citizens for our communities and country.

The 99th National Convention is over and it was great to see President Trump speak and to sign the GI Bill enhancement. Now is the time to think about the Eisenhower Pilgrimage October 14th, along with the Vice Commanders homecoming. District Eight will have our revitalization October 27 & 28th at Garden City Post 9. I would like to see a representative from every post at the meeting. Homecoming will be October 28th at 6 P.M. at the Garden City Post. I encourage all to attend.

The Eighth District Honor Guard has been very busy. We lost a Past District Commander Alvin Schugart who was District Commander 95-96 as well as a current EC member and member of the Honor Guard. He was a very faithful member to the American Legion. He will be sorely missed.

Our Vice Commander Charles Sellens has been working hard on membership. Please help us to get back in first place. Get your renewals and new members sent in. We need to go out and knock on doors to get the holdouts to renew their current membership. Recruiting and retaining members should be shared by the entire post.

Until next time, God bless all of you and God bless America and the American Legion.

Throughout history, wars were fought between combatants and civilians were not purposely involved until WWI. In 1900 Count Ferdinand Zeppelin, a retired German officer, built a rigid air ship filled with hydrogen. It was not the first such air ship, but was so more advanced than its predecessors that all the rigid air ships since are called Zeppelins.

During WWII, Germany built a number of Zeppelins and bombed England particularly London. This was the first known instance of killing civilians on purpose. (Unless you consider the American Indians and the Army.)

During WWII, the same thing over again except this time the Germans used air planes. Before the war was over the Allies were bombing German industrial cities, killing thousands of civilians in the process. A couple of days ago, I read about a two ton bomb from WWII that was found in Germany. It was de-fused before it could explode.

A German Zeppelin, The Hindenburg burst into flames upon landing at Lakehurst NJ in 1937 which put an end to the Zeppelins. The Germans did not have helium which will not burn. Today there are a number of blimps which have no framework and use helium.

Greetings Team Kansas,

The past few months have been busy with several events going on. Some of those events include The American Legion National Convention, homecomings, and a visit from The American Legion National Commander. At the National Convention, Past Commander Tom Wallsmith, Historian Calab Frederiksen and Wes Wills submitted the Detachment of Kansas history book which won first place at the National level. Congratulations! Job well done! Every Squadron and District should consider submitting a history book or a scrapbook to these conventions. This is a great opportunity for your Squadron or District to document the missions, events and activities that your membership gets involved in and get recognized for the outstanding work you're doing.

Did you know that the Sons of The American Legion Detachment of Kansas gives out five $500 scholarships and one $1,000 scholarship every year? You or a family member could be eligible for one of these scholarships. The scholarships are awarded to a senior in high school who is a member of The American Legion family. For the complete details and applications, you can go to the Sons of The American Legion Detachment of Kansas website at KSSLAS.ORG.

Coming up in the next few months, there are several events that each and every one of you are welcome to attend and/or be involved with. Events like the Eisenhower Pilgrimage in Abilene, Kansas, The Big Red One Turkey Run at Fort Riley, Kansas, the VA Christmas stores at the VA hospitals, Wreaths Across America and the Operation North Pole at Fort Riley, Kansas. When attending events like these, please wear your S.A.L. cover and/or attire indicating you are a member of the Sons of The American Legion.

With the help of members at all levels, the Detachment of Kansas has had 38 consecutive years of growth in membership. We are trying for our 39th but we are still short by around 100 members to renew for 2017. Please make those calls to try and get those renewals in as soon as possible. Our membership is very important to our organization and The American Legion Family. Each one of us needs to remember why we joined in the first place. It was to honor the service and sacrifice of our parents or grandparents.

For the 2018 year, we are off to a good start. We have many Squadrions that have made transmittals… great job! However, we will still have several Squadrions sitting on goose eggs. Let’s get out there and work hard on membership. With team work, we can make it happen.

My Commander’s project this year is Children and Youth here in Kansas. All funds raised will go to help support the scholarships, the oratorical contest, Eagle Scout of the year and similar programs like these.

Remember! There’s always one more thing that we can do to support our Veterans, Children and Youth. Thank you for all you do.

Pay Online To Renew Your Membership

Go To 
www.legion.org/renew
Hot of the experience of National Convention and listening to all the wonderful things the Auxiliary does for our veterans, active service men and women, and their families. Makes you feel good that they have such a great resource in the community.

I want to Congratulate Trish Ward she was elected our Central Division Vice-President and also Congratulate Jeannie Haas has been appointed as Juniors Chairman...These ladies will represent Kansas well.

Leadership trainings are going well be sure to attend one close you or attend as many as you would like. Each one is a little different because everyone has different questions and interests.

Time to really work on membership contact those members who have not renewed and collect their 2018 dues at the same time. District Presidents/Vice Presidents I charge you with getting in contact with each Unit President and see how you can help them. These units need to hear from you they need to know they have a resource. Everyone have a Happy Thanksgiving, Merry Christmas, and a Happy New Year. Safe travels to all!!

$5,000.00 Accidental Death Benefit at NO COST To You

Your Department of The American Legion works hard to provide the most comprehensive benefits to you and its members, and as a Legionnaire in good standing, you are eligible for LegionCare.

All dues-paying Department members have the opportunity to enroll in LegionCare; a complimentary NO COST accidental death benefit provided to members of your Department. Take advantage of $5,000.00 of Accidental Death insurance if a covered accident occurs while traveling on Official American Legion Business*, or $1,000.00 for all other covered accidents, all at NO COST to you.

Your Department is committed to protecting Legionnaires and their families, so they’ve worked with the Legionnaire Insurance Trust to arrange this benefit for you.

Although coverage is available at NO COST to you and paid for by the American Legion, you must enroll to receive the benefit. Visit www.theLIT.com or call toll-free at 1-800-235-6943 today to activate up to $5,000.00 in protection at NO COST to you.

*For purposes of the Legionnaire Insurance Trust, a member of The American Legion, with current year’s dues paid, could be eligible for the $5,000.00 Accidental Death benefit if he/she is traveling to, attending, or returning from an official function at which the Legionnaire represents his/her Post, District, Department, or National Organization in an official capacity.

ADJUTANT’S BRIEFS

By Department Adjutant Jimmie L. Foster

Many of the District and Department Officers have already alluded to their travels to various Events around the Department and State of Kansas in their Articles.

Many Members of The American Legion Family attended the 99th National Convention held in Reno, Nevada from 18 to 24 August 2017. Many of the Elected Kansas Delegates were very busy attending various Commission or Committee Meetings to partake in items that were to be voted on in those Meetings and then reported from that Commission or Commission to the Delegates on the floor of the National Convention.

Also, the Leading Candidate for National Commander Denise Rohan from Wisconsin and the Second Leading Candidate Brett Reistad from Virginia came to the Kansas Caucus bright and early at 7 A.M. Both Denise and Brett, spoke to the Kansas Delegates and passed out brochures, pins and pens to those in attendance.

The Convention is not always business oriented, there is some free time to enjoy the host City and their venues. The Department of Kansas had a superb dinner at the Reno Elks Lodge. It was a relaxing evening with those visiting, making new friendships and keeping some old ones going.

For those that stayed around until Thursday afternoon witnessed the First Female National Commander take the Oath of Office on the Stage. Denise Rohan from Verona, Wisconsin swore into her position as National Commander of The American Legion. (That has a nice ring to it).

Denise and her Aide, husband Mike, will be touring the Eastern Side of the State of Kansas from 24 to 28 September 2017. I know some of you will not get notified of her visit to individual Posts, but your District Officers was given that information and instructed to disseminate the information down to ALL Posts, so that each American Legion Member could have the opportunity to visit her on the tour.

Next year’s 100th National Convention will be held in Minneapolis, Minnesota from 24 to 30 August, 2018. Minneapolis hosted the First National Convention and history is repeating itself. It is a short drive to Minnesota, the City of Minneapolis and the Department of Minnesota promises to roll out the red carpet for this historical event. PLEASE start planning now to attend.

Our Regional National Vice Commander is Bryon I. Callies from the Department of South Dakota. Bryon will be visiting the Department in the month of November. We are still trying to confirm the exact dates. We will again get the information to the District Commanders to deliver to each Post within their District. Byron will be visiting the Western Side of the State of Kansas, basically I-35 and West. Bryon will also be attending our Department Convention in Hutchinson at the Atrium Hotel and Conference Center on 18 to 20 May 2018.

The newly elected National President of the American Legion Auxiliary is Diane Duscheck from the Department of Wisconsin and the newly elected Sons of The American Legion Commander is Danny Smith from the Detachment of Nebraska.

Don’t forget about the 2017 Big Red One Turkey Run on 18 November 2017 at Forty Riley and Operation North Pole on 8 & 9

VETERANS DAY
November 11
2017

NO COST To You

(Continued from 3)
(Continued from Page 6)

December 2017. These two events ensure that the Dependents of Our Active Duty Military has a complete Turkey Dinner for Thanksgiving, and then have a toy or two under their Christmas tree for a memorable Christmas.

The Department Christmas Party is tentatively scheduled to be held at Wichita Post # 401 on 2 December 2017. Their building is being built, and looked like it was moving forward, when we visited it in conjunction with the Special D.E.C. Meeting at Derby on 9 September 2017.

The Department Legislative Reception will be held on 17 January 2018 at 5:00 P.M., before the Mid-Winter Conference, this year. It was in agreement with the Speaker of the House and the President of the Senate that it should be earlier in the year to get the Legislators engaged on Our items that need to be discussed and supported for Veterans and their Families. We will see how many Legislators show up and how the Bills progress through both the Senate and the House this year. Depending on the results of being held earlier, we may revert back to the Wednesday after the Mid-Winter Forum.

Since I brought the Mid-Winter Forum, It is not too early to start planning on attending the 2018 Mid-Winter Forum, which will be held at Manhattan Post # 17 from 2 to 4 February 2018.

Until next time, continue supporting the Greatest Veterans and their Families, in the Greatest Veterans Organization in the Free World, the American Legion (in my opinion).
